

# 1973 Citation 500 S/P

Serial Number 500-0082 N428RJ

A great way to start in the jet market, this hangar-kept Citation 500 had phase 1-5 inspections complete in May 2004.

This neutrally decorated plane seats seven with a center club seating arrangement. Executive tables, refreshment center, freon air conditioning, and an aft belted flushing toilet make this plane as comfortable as it is economical.

This plane is enrolled on Cescom and comes with all logs since new.
