

1976 Citation 500 S/P

Serial Number 500-0341 C-GVKL

A great way to start in the jet market, this hangar-kept Citation 500 is ready to go.

This neutrally decorated plane seats seven with one club seating arrangement. Executive tables, refreshment center, freon air conditioning, and an aft belted flushing toilet make this plane as comfortable as it is economical.

Equipped with Collins Proline Avionics, this plane's flight deck includes IFR certified KLN90B GPS and a coupled Argus 5000 moving map.
