

2000 Cessna CJ1

Serial Number 525-0368

This meticulously maintained and well-equipped CJ1 is the envy of many single-pilot plane owners. This CJ1 is a great buy--U.S. hangar kept and only one owner.

This plane shows well with luxurious appointments, including wood veneer on all standard and optional furniture, leather insets on executive tables and beige leather seats.

Citation Service Center maintained, this CJ1 also is enrolled in paid up Full TAP Elite and ProParts Engine programs. RVSM compliant with TAWS and TCAS I.
