

1982 Citation II

Serial Number 550-0349

This hangar-kept Citation II begs to be bought! With new paint and interior in 2003 and a fresh Phase I-V inspection at the Cessna Service Center in San Antonio, it's ready to go.

The neutral light beige interior gives testimony to the owner's attention to detail. A deluxe refreshment center, folding executive table and aft-belted flushing potty make traveling in this plane quite comfortable.

Fly this plane worry-free with enrollment in CESCO through October 2004 and both engines enrolled in the JSSI program at 49 percent.

Aircraft Specifications:

Airframe:

6683 hours total time
