

1990 Citation II

Serial Number 550-0647

This 1990 model Citation II has been owned and maintained in the US. It comes equipped with thrust reversers and freon air conditioning and has a Coffeyville extended baggage modification.

This neutrally finished interior comfortably accommodates eight passengers with a center club seating arrangement. A slimline refreshment center, folding executive tables and aft flushing potty make traveling in this plane quite appealing.

The avionics of this Citation II include 5-tube EFIS, TCAS II, Global GNS-XLS flight management system with Garmin GPS back-up. It is also equipped with a Magnastar flight phone with data ports.
