

1998 Citation Bravo

Serial Number 550-0849

This beautifully maintained Bravo, available for sale or lease, is in excellent condition with 1559 hours total time on the airframe and both engines.

Cessna's Citation Bravo is a great value with jet conveniences at turboprop operational costs .

Hangar-kept, this plane has been meticulously maintained. Neutral champagne and slate grey interior appeal to anyone's interior design tastes.

Plush leather pedestal-mounted swivel chairs, a streamlined refreshment center, and plenty of entertainment amenities make the Bravo one of the most comfortable business jets in its class. In-flight entertainment at every seat makes this plane extremely versatile for business and pleasure use.

The well-outfitted cockpit includes GNS-X/LS FMS with KLN 90B backup GPS, a Mark VI ground proximity warning system, and Skywatch TCAS. The plane is RVSM equipped and has 8.3MHz radios.
