

1990 Citation V

Serial Number 560-0061

One of the best-equipped planes of its type on the market, this Citation V includes RVSM certification. It is a great buy with low hours since last major engine overhaul, new paint in October 2003, and Phase I-V inspections performed by a Cessna-certified service center in July 2003.

This neutrally decorated plane seats seven or eight in club seating arrangements. Executive tables, a mid-cabin slimline refreshment center in addition to the forward deluxe refreshment station, and an aft belted flushing toilet ensure exemplary passenger comfort. Interior completely refurbished October 2003.

With equipment upgrades comparable to newer, more expensive aircraft, this Citation V is unique. RVSM and Public Air Transport certified with JAR-OPS 1, it also has GPWS, 5-tube EFIS and UNS-1MSP with GPS.

Aircraft Specifications:

Airframe:

5,010 hours since new
4,800 landings

Engines:

Pratt & Whitney (JT15D-5A)

	Left	Right
Hours since overhaul by P&W:	1099	849

Avionics:

Honeywell EDZ-605 w/ 5-Tube EFIS
Collins Proline II
Mark VI GPWS
Dual Collins VHF-22C (8.33. KHz)
Dual Collins VIR-32 (FM Immunity)
Dual Collins TDR-90
Honeywell Primus-650 color radar
UNS-1MSP w/ GPS, BRnav approved
Dual Collins ADF-462
Dual Collins DME-42
Sperry SPZ500 IFCS FD (2)
Collins 55B radar altimeter
ELT Pointer 3000
KHF-950 w/ SELCAL

Digital clocks
Digital fan & turbine indicator
Recognition lights
Nic-Cad battery w/ temp. monitor
Rotating beacon
Keith air conditioning system (R134)
64 cubic ft oxygen
Sierra quick latch radome
Angle of attack
Sierra pneumatic nose door openers
Cockpit air
24 V cabin outlet w/ cockpit switch
Passenger address system

Exterior:

New paint 10/2003

Interior:

New interior 10/2003
7/8 passenger interior
2 executive tables
Aft certified belted flushing toilet seat
Aft privacy door

Additional Information:
