

# 1990 Citation V

Serial Number 560-0064

Recognized for its passenger capacity, quiet ride and efficiency, the Citation V is one of the most popular planes in its class. This newly refurbished Citation has recently received Phase I-V inspections at an Authorized Cessna Service Center.

The sand and light brown colored interior with a double club seating arrangement--new in August 2004--comfortably and luxuriously seats 8 passengers.

This plane comes equipped with 5-tube EFIS. It has 5570 hours total time and fresh hot sections performed by Pratt & Whitney. It also is RVSM compliant and has Sandell ST-3400 TAWS/RMI.
