

1993 Citation V

N45GA

Serial Number 560-0228

Recognized for its passenger capacity, quiet ride and efficiency, the Citation V is one of the most popular planes in its class. This newly overhauled Citation received Phase I-IV inspections at an Authorized Cessna Service Center in August 2004.

The neutrally appointed interior with a center club seating arrangement comfortably accommodates 8 passengers.

This plane comes equipped with a 3-tube EFIS, GNS-XLS flight management system, and a Mark VII Enhanced GPWS. It has 3555 hours total time with just 56 hours since major overhaul.
