

2001 Citation Excel

Serial Number 560-5154

This immaculate Citation Excel is ready to go! The plane has 945 hours since new. The white paint is accented by maroon, burgandy and tan stripes.

The neutrally decorated interior seats eight with a side-facing couch. A fax/data port and a full-feature handset located in the cabin provide a efficient work environment. A lavish refreshment center and conveniently located TV monitor make flying in the Excel even more enjoyable.

This Excel features state-of-the-art avionics, including Honeywell Primus 1000, Honeywell TCAS II, Allied Signal Enhanced GPWS, and Dual Universal UNS-1 CSPs. An open cockpit area facilitates conversation between passengers and crew.
