

1997 Citation Jet

Serial Number 525-0207

This one-owner 1997 Cessna Citation Jet has 1280 total hours on the airframe and both engines. All service and maintenance have been performed at a Cessna-certified service center. Recent modifications extend hot section requirements from 1500 to 1750 hours. The snow white exterior paint is accented with alpine blue stripes.

The plane's interior is decorated in beige leather with taupe carpet and tan headliner and accents. Seats have full swivel and recline capabilities. Indirect lighting and both right and left-hand executive tables provide a comfortable working or relaxing environment.

The cabin includes a deluxe refreshment center. It also has a carpeted baggage compartment and a foldable threshold carpet assembly.

The cockpit is outfitted with Cessna's 1-01 panel layout. The plane's avionics include a Honeywell 2-tube EFIS and a KLN-90B GPS unit.
