

TASO Volleyball Officials:

With the TAPPS CHAMPIONSHIPS this past weekend, the 2020 volleyball season comes to a close. This year provided many challenges for schools, coaches, players and our officials. Thank you to all who officiated contests throughout the 2020 season across this great state of Texas. Without you and your efforts, high school volleyball would not have been possible. As we move to the winter seasons, we continue to wait for the end of these pandemic times and a return to a more normal fall next year. However, TAPPS and TASO have proved resilient and we will be prepared to play whatever the times may bring.

Wishing all a most blessed holiday season to close out 2020.

Thank you again for your service to the schools and youth of Texas.

Sincerely,
